

## Jul 5 – 28

A limited number of scholarships are available. Applicants do not have to currently attend St. Paul's Episcopal Montessori School to qualify.

# 2017 Summer Program

## St. Paul's Episcopal Montessori School

### Learn and have fun this summer!

At **St. Paul's Episcopal Montessori School**, we are very excited about our Summer Programs. Each summer, our programs are filled with art, science, nature studies, music, new cultural experiences and lots of fun!

Our Summer Camp is available to both current and future students. Camps are staffed by certified Montessori lead teachers, experienced assistants or teachers who are certified or experienced in their respective fields.

### Toddler

This summer, join us, as we explore the world around us through theme-based, age-appropriate art, music, games, and other hands-on activities.

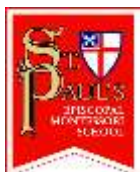

The **Summer Toddler Program** is designed to provide an introduction to school for new students, while supporting skills, as well as social and emotional needs, for both new and veteran students.

### Primary

For those families looking for a fun and creative camp for their 3-6 year old, we have a selection of weekly themes to choose from. Combining fun and learning using art, play and science, your child will have a summer to remember.

### Elementary

Our summer program for students 6-12 years of age is filled with options! Our creative team of teachers will offer art projects, music singing and performance, puppet shows and lots of activities to keep them intrigued, entertained and involved.
