

2022 Summer Session

July 5 – July 29, 2022

Learn and have fun with us this summer!

At **St. Paul's Episcopal Montessori School**, we are very excited about our Summer Session! Each summer, our programs are filled with art, science, nature studies, music, new cultural experiences, and lots of fun!

Our Summer Session is available to both current and future students. Classes are staffed by St. Paul's Episcopal Montessori School teachers and staff.

Toddler (18 months – 3 years)

This summer, join us as we explore the world around us through theme-based, age-appropriate art, music, games, and other hands-on activities. Water play and nature exploration will also be a fun way Toddlers spend their summer!

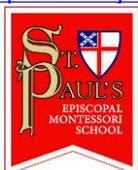

Primary (3 years – 6 years)

We will combine fun and learning using art, play, science, and some Montessori lessons, as well as water days and time outdoors! Your child will have a summer to remember!

Elementary (1st grade – 6th grade)

Ms. Rebecca will offer half-day MUSIC CAMP (July 5-15) and Coach Andre will offer half-day CRICKET CAMP (July 18-22)! Music Camp registration can be done through our school website. Cricket Camp registration:
